Let's travel better together

WHAT SETS US APART.

TRANSPARENCY. NO HIDDEN MARGINS. NO HIDDEN COMMISSION.

Our proposal is full outsourcing of the booking and management process for business travel.

We do not charge any additional fees, nor do we hide markups or commissions in the prices of our services.

Clients pay exactly what airlines or service providers charge — nothing more.

SMARTER REBILLING

All service charges are issued on a single consolidated invoice, reflecting the exact prices we receive directly from service providers.

planetickets CARE.

We are committed to reducing our clients' travel expenses while ensuring seamless trips, supported consistently from start to finish.

planetickets GUARANTEE.

We guarantee comprehensive support across all aspects of business travel — from finding the best connections and booking flights, hotels, car rentals, and transfers, to arranging insurance and more. All changes are handled at no additional cost.

It could not be easier.

Submit a request for a trip.
Accept the proposed itinerary.
We'll take care of the rest.

Introduce Yourself.

Introduce your team and their supervisors. Define your company's structure and assign client accounts to track travel expenses accurately. Set spending limits and thresholds for approvals. Establish clear parameters and guidelines to control and optimize employee travel.

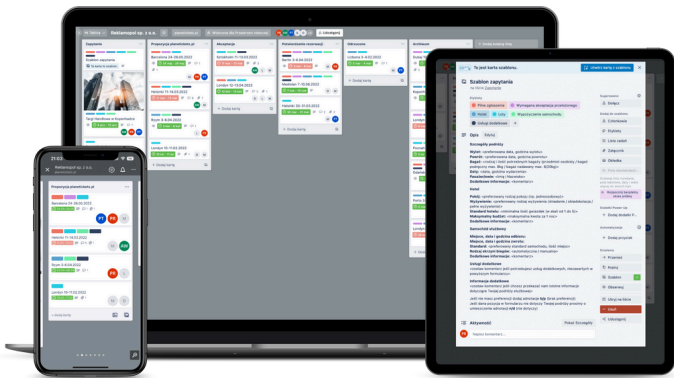

Take Back Control of Your Business Travel

Travel management platform.

Gain access to a modern travel management platform. Easily submit new travel requests, get approval from your supervisor, and access all essential documents and real-time updates — on any device, wherever you are.

Planning business trips has never been easier.

Simplified billing.

No more stress over one-time travel costs — get the best rates with deferred payments. Receive all your company's expenses for a given period on a single, consolidated invoice. Save time and resources lost to processing multiple invoices. Just one invoice - with a payment deadline that works for you.

Managing business travel expenses has never been easier.

Track. Control. Plan.

Receive monthly, quarterly, or annual expense reports tailored to your chosen criteria. Set your company's travel goals and monitor related spending. Get actionable suggestions for optimizing travel costs.

Track your travel costs and build a smarter budget.

Subscription. Flexible cooperation model.

Subscribe monthly and simplify your travel expenses without additional fees.

One-time fee.

Pay As You Go.

For businesses with occasional travel needs.
